

The background image shows a sophisticated restaurant interior. The ceiling is a complex grid of recessed rectangular panels, each illuminated from within, creating a warm, golden glow. A large, dark, textured sculpture of a hanging animal, possibly a deer or stag, is suspended from the center of the ceiling. The walls are dark and feature large windows or glass partitions that look out onto a city at night. The floor is dark and reflective. In the foreground, there are tables and chairs, some of which are set with white linens and glassware. The overall atmosphere is elegant and modern.
