# HOTEL

Rising to 44 stories and designed by award-winning Wallman Architects and Studio Munge Design, BISHA, a Luxury Collection Hotel, Toronto is a private label hotel and residence brand in the heart of the Entertainment District. Glamorously forward and seductive, BISHA offers a unique medley of the best design, art, food, music and culture. Located on Blue Jays Way, just south of King Street, BISHA is tastefully modern, unapologetically free-spirited and undeniably cool.

## SKY SUITE

Let BISHA's space on the 43rd floor take your event to the next level. Floor-to-ceiling windows create a stunning lake and city skyline backdrop. Your dream event will unfold with seamless service, from AV to culinary, from our dedicated team.

BISHA, a Luxury Collection Hotel, Toronto, is home to Michelin-starred Chef, Akira Back's, first-ever Canadian namesake restaurant, Akira Back.

Known for his signature style of blending Japanese cuisine with Korean ingredients and flavours, the carefully crafted menu features a number of Back's signature dishes, including his mushroom/tuna pizza, along with some new ones inspired by his time in Toronto. Akira Back is where luxury meets social, and has already begun to impact the way people dine in Toronto.
